

Broccoli Salad

<http://userealbutter.com/2009/02/22/broccoli-salad-recipe/>

adapted from my college volleyball coach's recipe

3 heads of broccoli, trimmed and divided into bite-size pieces

1 small red onion, small dice

4-6 slices bacon, fried and crumbled

1/2 cup cashews, roughly chopped

1/2 cup dried cranberries

1 cup mayonnaise (I prefer to use 1/2 cup mayo and 1/2 cup non-fat plain yogurt)

2 tbsps sugar

4 tbsps vinegar

Combine the broccoli, onion, bacon, cashews, and cranberries in a large mixing bowl. Mix the mayonnaise (and yogurt, if using), sugar, and vinegar together and pour over the vegetables. Toss together and refrigerate for a day for best flavor.
