

Chocolate-Dipped Strawberries

<http://userealbutter.com/2008/05/01/chocolate-dipped-strawberries-recipe/>

24 ripe strawberries (I prefer organic)

8 oz. bittersweet chocolate, chopped (used Valrhona 64%)

1 oz. white chocolate, chopped

Rinse strawberries and gently pat dry. Set on a rack to dry completely. Melt bittersweet chocolate in a double boiler. Dip strawberries in chocolate and shake off excess. Set to dry on a rack (on the tops as shown in the photos) or on parchment (on the bottoms which will give you a foot of chocolate) in a cool, dry location. When chocolate has dried, melt the white chocolate and drizzle over the strawberries. Or, you can melt more white chocolate and dip the strawberries a second time.
