

## **Kell's Fabulous Cordial**

<http://userealbutter.com/2007/09/12/citrus-cordial-recipe/>

1 cup sugar

1 cup water

1-2 cups juice of citrus

Combine the water and sugar in a pot and stir until sugar is dissolved. Bring to boil. Remove from heat and let cool. Pour in citrus juice. Bottle and refrigerate. Serve with seltzer water (I quite like the Canada Dry Raspberry Seltzer – don't get anything that's sweetened though – it's gross).
