<http://userealbutter.com/2011/07/06/feta-artichoke-sandwich-recipe/>

*inspired by [Snarfs](#)*

good bread like a crusty baguette

pesto

feta

canned artichoke hearts, sliced

prosciutto

dill pickle, sliced lengthwise

lettuce

tomato (optional)

Slice the bread in half lengthwise. Spread pesto on the bottom half of the bread and toast it if you desire. Layer feta (so it sticks to the pesto), then artichoke hearts, then prosciutto, pickles, lettuce, and tomato (optional). Top with the other half of the bread.
