12 corn tortillas
12 oz. chicken or [carne adovada](#), shredded
12 oz. cheddar cheese, shredded
20 oz. enchilada sauce

In an 8×8-inch baking dish, put two or three spoonfuls of enchilada sauce in the bottom and spread evenly. Layer with three overlapping tortillas. Sprinkle 1/3 of the chicken meat evenly on the corn tortillas. Sprinkle 1/4 of the shredded cheese. Spoon 1/4 of enchilada sauce. Repeat for two more layers. When you top with the last three tortillas, sprinkle remaining cheese and pour remaining sauce. Bake at 400°F for 40 minutes. You may want to cover the dish for the last 20 minutes if the top starts to dry out.
