

## Taco Seasoning

<http://userealbutter.com/2009/12/14/taco-seasoning-recipe/>  
from [this site](#)

12 tsps chili powder  
10 tsps paprika  
9 tsps cumin  
5 tsps onion powder  
1 tsp garlic powder  
1/4 tsp cayenne

Mix together. 7 teaspoons equals 1 package of taco seasoning. [To use: when ground beef is browned, drain off fat, add 1 cup of water and 7 teaspoons of taco seasoning to the meat. Bring to boil then reduce to simmer. Simmer until the liquid is gone.] Store in a sealed container in a cool, dry place for up to six months.
